About Our school

Amherst Chinese School is a non-profit organization, located in the five-college area and serving the needs of the general public in the greater Western Massachusetts area.

Starting as part of the continuing education programs of Town of Amherst in 1976, the school has evolved from serving children with Chinese origins to serving anyone in the community of this geographical area with interests in Chinese culture and language, children and adults alike.

Our missions are:

- To provide a nurturing environment for learning Chinese language and culture
- To promote mutual understanding and appreciation of multi-cultures in our communities

About Our Faculty

All our faculty members are bilingual, native Chinese speakers. They include Chinese language teachers (K-12) currently teaching in local schools and academics from the five Colleges. Our faculty has strong skills in education, business and technology. They come together and contribute their time and energy to this community service.

About Our Classes

We group students mainly by their language proficiency, with the consideration of age as well. No prior Chinese experience is required.

We normally have 2 adult classes and 5 children classes.

A child needs to be at least 4 years old at the time of enrollment.

Our classes meet weekly on Sundays 1:30-3:30pm with a 15 minutes snack break at 2:30 pm. The classes are held at 317 Russell St, Hadley (Pioneer Valley Chinese Immersion Charter School facility).
